

NATIONAL ASSOCIATION OF
REALTORS-INDIA

Dear Advertiser,

The National Association of Realtors India (NAR - India) is going to publish its first directory of members. The association was formed two years ago with the primary aim of promoting best practices in Real estate Broking Among its members. It is affiliated with NAR - USA which is a 1.2 million Broker association. NAR - USA has a bilateral agreement with our organization to assist our members by informing, training, educating and empowering them to execute their job in a manner that ensures customer satisfaction.

The organization has ten city associations as its members; the member's directory will have a shelf life of three years. It will have useful articles from leaders in the field of building, architecture, law, and offcourse brokerage. It should prove very useful to members of our industry, service providers to our industry, and our customers. We expect large circulation and readership for this Directory.

It will have a list of all our members in the country, as well as interpretation of laws relevant to our industry both at the local and national level.

Dear Advertiser you will get very good and focused coverage to a selected group of users and service providers of the building industry.

Looking forward to receiving your advertisement and your support,

Ravi Varma
Président NAR India.
